Education

UCSD (University of California San Diego)

[La Jolla, California](#)

B.S. IN DATA ANALYTICS

Expected - June 2022

- Courses - Machine Learning for Social Scientists, Data Analytics of National Security, Business Analytics, Making Policy with Data

Work Experience

UCSD Data & GIS Lab

[La Jolla, CA](#)

DATA AND GIS LAB ASSISTANT

Dec 2021 - Present

- Assist patrons with statistical analysis and GIS software such as R, Python, Stata and ArcGIS
- Assist with GIS research projects related to the Lab as needed

UCSD Canyonview Aquatic Center

[La Jolla, CA](#)

LIFEGUARD

July 2019 - October 2021

- Performed two active drowning victim rescues
- Maintained Lifeguard, AED, CPR and First Aid certifications

Texas A&M University Observatory

[College Station, TX](#)

INTERN

May 2017- May 2018

- Operated 15" telescope in search for new minor planets and to improve orbital predictions for recently discovered minor planets
- Found astrometric solutions, processed images, and reported observations to the Minor Planet Society

Projects

Analyzing U.S. Occupation of Afghanistan

DATA ANALYST

- Utilized Synthetic Control Model in R to determine the effect of U.S. intervention of Afghan health outcomes
- Used data from World Bank API, Cross-National Time-Series (CNTS) Data Archive
- Found that intervention resulted in higher infant mortality than synthetic control model

Predicting Recidivism

DATA ANALYST

- Built machine learning models to predict recidivism based on past criminal history

Reddit Stock Tracker

DATA ANALYST

- Built dashboard to track most discussed Reddit "meme stocks"
- Tracks daily mentions, upvotes, and sentiment while displaying interactive YTD candlestick chart

Extracurricular Activity

World Cube Association

COMPETITOR, COMPETITION ORGANIZER

- Organized competitions for the World Cube Association, a worldwide organization that regulates and holds competitions for the Rubik's Cube
- Achieved 11th in the world ranking for Rubik's Cube Blindfolded
- Started a YouTube channel (Josh Weimer) to teach advanced techniques for solving Rubik's cubes blindfolded (90,000+ video views)

UCSD Triathlon

[San Diego, CA](#)

VICE PRESIDENT, MEMBER

September 2018 - May 2020

- Assisted in planning and hosting Tritonman (Elite Development, Collegiate, and Age-Group Triathlon) earning over \$30,000 in revenue
- Organized team practices, trips, and allocated team budget
